

## Masquerade Weekend is Here!

Welcome to Masquerade Weekend. This is one of our best parties of the season with prizes for the best costumes, and shot stations behind the club! The party kicks off on Saturday at ten p.m. at Club "O". This year's theme is superheroes and Chris' decorating job promises to be phenomenal. Even I don't know what he's doing! There promises to be a lot of Batman, Robin, Captain America and

maybe even Wonder Woman costumes, but as always there will be some truly unusual costumes as well!

Throughout the evening you are welcome to visit the shot stations hosted by our seasonals behind the club. They will be giving out samples of some of their favorite alcoholic concoctions. Many of them are truly delicious and most of them are extremely potent! So please be careful and enjoy the evening.

## **Trailer Winterization**

If you are interested in having your trailer winterized, we are once again contracting with Hillcrest RV to do winterizations. The cost is \$65, and we have to have at least 10 people take advantage of this to get this price. If you winterize with Hillcrest and a problem of broken pipes due to ice comes up, your repairs are covered. Checks made out to Hillcrest RV must be brought to the office no later than Sunday October 9th and we must have a set of keys to your trailer.

## **Your Help is Requested**

On Saturday at 1:00 p.m. we could use help in moving a very large deck at Ron & Tony's place. The deck is starting to slide and needs to be braced. We need as many people as possible to push against it while the bracing is done. If you can help please stop at Ron & Tony's place at 1:00 on Saturday.

## **Clean Up Your Act!**

We continue to have problems with people throwing their cigarette butts on the ground! Keep the campground clean and throw them in a can! We may have to start fining campers!

## **Thanksgiving Dinner**

The Thanksgiving Dinner to be held on October 15 at the disco is meant primarily as a thank you to our seasonals. In the past there have been so many non-seasonals in attendance that some of our seasonals have had difficulty getting seated. As a result, we will require seasonals to reserve seats at the dinner by stopping at the office and getting wristbands. Wristbands are not transferrable! If you will have guests that weekend, we will try to accommodate them if space is available. We need to know which seasonals will be attending no later than Sunday October 9 at six p.m. At that time, we will open up tickets to everyone. The cost for the dinner will be \$12.00 for non-seasonals.

## **Golf Cart for Sale**

## **Remember to Get your Contracts In!**

All contracts for 2012 seasonal sites are due with your deposit no later than 6:00 p.m. October 16, 2011! If you did not make the seasonal meeting and pick up a contract, they are available in the office. Please read them carefully. A few changes have been made in camp policy!

## **Last Weekend for the Cafe**

The poolside cafe is now closed for the season and the cafe by the disco will be closing after Sunday breakfast this weekend. Saturday dinner on October 1st will be our regular "Fry-a-Thon" where we will cook up everything in sight and you will be able to get all you can eat for \$8.00!

## **Pool Closing**

We are planning to close the pool for the season this Sunday, October 2. This will depend somewhat on the weather. If evenings become unseasonably cool it will be impossible for us to keep the pool at a swimmable temperature.
